What the f**k is wrong with you?

You know that by throwing your employees under the bus to cover Trumps big orange a\$\$, when he leaves office on 1/20/2021 you will be screwed. You will not be seeing over any offices or workforces again.

You will be blackballed from any kind of ligament scientific work, and unless you step up and take Trumps dick out of your mouth and do the right thing!

Grow a back bone and stand with your employees!

Or if you like the taste of dusty old orange dick, you can keep suckling it for the next 16 months.

Then you can enjoy being unemployed and explain to wife / kids that daddy can't afford xmas this year because you didn't do the right thing.

I think your family deserves better, dont you?
